GE Requirements for Freshman entering Fall 2002 and thereafter:

- Ten courses (a minimum of 48 quarter units) are required.
- GE-approved Writing II courses may fulfill an appropriate foundational area. One of the 10 courses must be either a GE-approved lower division seminar or a second GE-approved Writing II course in the appropriate foundational area.
- Courses that are cross-listed in more than one foundational area may be used to satisfy a requirement in only one foundation.

Three 5-unit courses, one from each subgroup:
- Literary and Cultural Analysis

- Visual and Performance Arts Analysis and Practice

**Foundations of Society and Culture**

Four courses, two from each subgroup. One 5-unit course from each subgroup must include a laboratory or demonstration or be a Writing II course:
- Life Sciences
- Physical Sciences

Course Credit Restrictions

- If you have already earned college credit for a class taken at UCLA, you **cannot repeat** the class for credit at a community college. The reverse is also true: you will not receive credit for a class you take at UCLA if you have already received credit for the class from another institution.
- You will not receive credit for courses taken at a community college in violation of **sequence restrictions**. This rule applies whether the restrictions are imposed by UCLA or by the community college.

Unit Restrictions

- After you have completed **105 quarter units** toward your degree, you are no longer eligible to receive unit credit for courses completed at a community college.
- One semester unit translates into 1.5 quarter units.

Concurrent Enrollment

- You are **concurrently enrolled** if your take courses for credit at another institution while enrolled in UCLA during regular session (fall, winter and spring terms).
- No credit will be given for courses taken concurrently without the permission of the college; permission is granted only under extraordinary circumstances.
