How to Add & Drop Classes

If you’re confused about how to add or drop classes, then look no further, because we have compiled all you need to know about adding or dropping classes by the appropriate deadlines!

Adding Classes
The last day to add classes without a fee is Friday of Week 2 (October 12th). You may simply log on to MyUCLA to add a class. After Week 2, you may still enroll in a class on MyUCLA via a PTE number. If your professor does not provide a PTE number, you may enroll in a class using an enrollment petition, which you can submit to the Registrar’s Office located in 1113 Murphy Hall. After Friday of Week 3, you must submit a Late Add Petition to your counseling unit in order to enroll in a class. As a reminder, there is no guarantee of approval for Late Add Petitions.

Dropping Non-Impacted Classes
You can drop a non-impacted class via MyUCLA or with a petition. Non-impacted classes can be dropped on MyUCLA through Friday of week 2 without a fee; or between weeks 3-4 with a fee that is charged to your Bruin Bill. During weeks 5 through Friday of week 7, non-impacted classes can be dropped via MyUCLA with a transcript notation and a fee. During weeks 7 through Friday of week 10, you must submit a Restricted Drop Petition with your instructor’s signature to your counseling unit. To drop after Friday of week 10, you must submit a Red Drop Petition. There is no guarantee of approval for Red Drop Petitions. All petitions are available at ASK Peer Counseling stations and College counseling units.

Dropping Impacted Classes
Impacted courses are classes that are often either very popular or high in demand. These classes have high teacher-to-student ratios or involve large commitments for both the student and the university. Unlike non-impacted courses, impacted courses can only be dropped on MyUCLA without petitioning up to the Friday of Week 2. After Friday of Week 2, impacted classes can only be dropped by submitting a Red Drop Petition to your counseling unit. Since Red Drop Petitions are rarely approved, please discuss this option your counseling unit before submitting your petition. To check if a class is impacted, visit the schedule of classes and click on the individual lecture for the class that you wish to see. The class page will list its status as either impacted or non-impacted under Enrollment Information. A list of all impacted courses can also be found here!

Getting Off the Waitlist
If you are still on the waitlist for a class after Friday of Week 2, the class will automatically be dropped from your study list. For this reason, it is important to constantly check your study list, especially if you are waitlisted for an impacted class. Communicate with your instructors regarding the waitlist policy for a class.

Conduits
Are you looking for hidden campus gems to enhance your time at UCLA? Look no further! Every week Conduits will feature a campus resource, selected by our very own ASK Peer Counselors, that will help you maximize your academic and social experience at UCLA.
